## DAN O'CONNELL PRODUCER, TECHNICAL CONSULTANT

Dan brings years of editing and technical directing experience to Awaken Pictures. Using his skills with non-linear editing systems and graphics programs, Dan provides a level of professionalism required for quality films. Dan currently directs three, half hour newscasts daily, as well as producing commercials and promotional videos for the ABC affiliate WCTI-TV12. Dan also served as co-producer and co-editor on the documentary "Flood".
